LITTLE OPPOSITION SEEN IN SCHOOL TRUSTEE ELECTION

With the deadline for filing declarations of candidacy as school trustees but a few days away, April 21, only ten men have filed for election in Washington Township, according to Vaughn D. Seidel, county superintendent of schools.

At Alvarado, Wilbert Hendricks has filed for re-election and at the present time is unopposed.

No candidate had filed for election to the Board of Trustees for the Alviso School for the vacancy created by the resignation of Manuel Abreu.

ONLY ONE CONTEST

M. Oliveira, a member of the board of Centerville Elementary School for the past 35 years, has filed for re-election and as yet is unopposed for the position.

The only contest for election is at Decoto, where William S. Davis, incumbent, is opposed by Kenneth Garcia.

Alfred Peixoto this week filed his papers for re-election to the board of Irvington Elementary School.

At Mission San Jose the only candidate is Joseph Azevedo, who seeks election for the first time, filling the vacancy created by the resignation of Joe Telles.

Newark Elementary School District has but one candidate for the vacancy in the board there, with Sam G. Scott up for re-election.

NEW CANDATES

Niles Elementary School Board, with one vacancy existing since the death of Joe Gomes, has but one candidate, Tom Robbins, filed for election to the post at the present time.

The position on the Warm Springs Elementary School, vacated by the resignation of Frank Gomes, is being sought by Orville Leitch.

Judge E. A. Quaresma, who was appointed to the Board of Trustees of Washington Union High School to succeed the late Joe Gomes, has filed his declaration of candidacy to that office.

The election will be held Friday, May 21, in all of the districts.

GROUP PETITIONS FOR TOWNSHIP YMI

A petition requesting that a Young Men's Institute charter be granted Washington Township was drawn up Wednesday evening at Mission San Jose at a meeting of Catholic Men from all the parishes here.

The petition, with its 25 signatures, has been forwarded to the Grand Council in San Francisco for consideration. If the request is approved an all-Washington Township Y.M.I. will be established here. Another meeting of the group has been set for next Wednesday evening at the Mission.

Refreshments were served at Wednesday's meeting by the members of the Y.L.I. of Irvington.

ROBBINS FILES FOR POST OF TRUSTEE

Only candidate to file thus far for the post of trustee of the Niles Elementary School District is Thomas B. Robbins. The election will be held May 21.

Robbins, father of a first-grade student at the Niles school, is shipping foreman for the Kraftile Company. For 12 years he worked for the California Nursery Company.

A native of the eastbay, he is a graduate of University High School in Oakland.

The position on the board of trustees for which he is a candidate became vacant with the death of Joe D. Gomes.

CHAMBER REQUESTS PROGRESS REPORT ON SEWER ANNEX

A motion was passed by the Centerville Chamber of Commerce at a luncheon meeting held at the California Inn Wednesday, instructing Secretary Ralph Goodwin to request from the Union Sanitary District an explanation of why the completion and acceptance of the newly annexed area near Centerville is being delayed.

Kurt Suhnel, Centerville contractor and developer of the Suhnel Tract on Santos Road, made the motion after telling the group that the sale of some $100,000 worth of property and homes has been held up because of the delay in connecting the new sewer system. "We were promised that the system would be in operation before Christmas and here it is mid-April," Suhnel said. In explaining the need for expediency Suhnel said that since the area was annexed it is not permissible to put in a septic tank for the new homes in his tract and it is impossible to sell the homes until the sewer connection is made.

Members of the sanitary board have reported that the connections cannot be made until their engineer has completed his inspection and approval and the county or state, depending upon what roads are concerned, have okeyed the resurfacing of the torn up roadbeds.

Guest speaker at the luncheon Wednesday was Bill E. Lockwood, representative of the Blue Cross Plan, who outlined the operation of the system to the members.

The chamber voted to purchase the necessary picnic equipment for the Centerville School Patrol for their annual outing at the Patrol Review in Hayward this Saturday.

ALUMNI WILL MEET

A meeting of the newly re-organized Washington Alumni Association will be held in the cafeteria of Washington Union High School on Tuesday evening, with plans to be discussed for the dance, scheduled for May 22.

CLOTHING DRIVE OPENS HERE FOR EUROPE'S NEEDY

A two weeks' clothing drive for the needy people of Europe was launched in Washington Township Monday evening by a public program at the Newark Elementary School, with Emil Naef of Zurich, Switzerland, as guest speaker.

The campaign, held under the sponsorship of the Church World Service, is headed locally by Mrs. Fred Muller, serving the Newark area, and Rev. Donald Kirkbride serving Niles, Centerville and Irvington area.

The auditorium of the Newark school was filled to capacity Monday evening and the audience, in addition to being given an eyewitness account of the suffering in Europe by Naef, was shown a movie, "This Road We Walk," and a second movie released by the war department depicting the devastation of western Europe.

Local residents are asked to contribute used or new clothing, shoes, and bedding and collection centers have been set up as follows: Niles, Full Gospel Temple, Congregational Church parsonage, and the Elementary School; Centerville, St. James Episcopal Church; Irvington, Community Church; Newark, Elementary School.

The contributions will be trucked to Richmond where they will be packaged and shipped to Europe.

GOLF TOURNEY SET FOR 'NILES DAY'

A golf tournament which promises to draw plenty of competitors from Niles will be held at the Old Hearst Ranch near Pleasanton on the afternoon of "Niles Day," Sunday, April 25. Sponsor of the contest will be the Niles Junior Chamber of Commerce, which is securing a trophy for the winner.

An entry fee of 50 cents will be charged, according to Robert Griswold, chairman. Tee-off will be at 1 o'clock.

All Niles residents interested are welcome at the ranch on "Niles Day," at which a breakfast broadcast will be featured.

A half-hour radio program will be recorded at 11:30 that Sunday, to be re-broadcast the following Sunday at 9:30 a.m. over KSFO. Last year a similar broadcast was made.

PEERLESS BUS IN HEAD-ON CRASH

A head-on collision between a Peerless bus and an automobile driven by Jose Cepeda, 301 Sixth street, Decoto, occurred about 10 p.m. Sunday evening on First street, Niles, directly in front of the Sletten Department Store.

Raymond Meza, San Jose, a passenger in the Cepeda machine, received minor injuries. Cepeda and Lincoln Damario, 624 Holbart st., Oakland, driver of the bus, escaped injury. The bus was southbound and the crash occurred in the traffic lane occupied by the bus. No citations were given.

Concert Series in Township Will Bring Famous Artists

It's a long way from Carnegie Hall to the auditorium of Washington Union High School, but if present plans of a small but enthusiastic group of Washington Township music lovers come to fruition, the distance may be shortened, and it may not be long before we in Washington Township may have the opportunity of hearing some of the world's finest artists perform right here in our own high school auditorium.

A group of residents from here who had attended the Hayward Concert Series last winter, encouraged by Miss Lucille Thompson, representative of Columbia Concerts, met last Monday evening and discussed plans for forming the Washington Township Community Concert Association, one of similar organizations all over the United States. Artists are furnished by the Columbia Concert Series, which includes on its roster such famed artists as Lily Pons, Nelson Eddy, Gladys Swarthout and others. Though some of the artists are not as well known as those mentioned above, it is perhaps only because they have not achieved a sudden fame. Their talent, however, is unquestioned. Any artist who appears here would be outstanding in his field.

The campaign dinner will be the opening gun for a week-long campaign, during which time it is hoped that over five hundred memberships will be sold. The memberships sell for $5 to adults and $2.50 for students. Those who buy memberships may, without additional cost, attend concerts in Hayward or any other locality where a community concert association has been organized. This is a distinct advantage, for it means, in effect, that the holder of a membership card in the Washington Township Association may attend, not only the three or four concerts sponsored by his own association, but perhaps a dozen during one season—if he has the time and the desire to travel to different bay area towns.

OFFICERS ELECTED

The Concert Association has already elected officers who are making plans for a campaign dinner to be held the latter part of May.

THORNBURG PRESIDENT

Officers chosen for the new association here are as follows: president, Dwight Thornburg; first vice-president, J. A. McDonald; second vice-president and general chair-

POWER RESTRICTION ON ALL BUT NEW LOADS IS LIFTED

Mandatory electric power restrictions were temporarily ended Monday by order of Robert P. O'Brien, emergency power director, effective immediately and lasting until June 1, 1948.

In announcing the lifting of most of the restrictions, O'Brien said that the relief which has been made possible, depends entirely upon continuation of daylight saving time throughout the year; deliveries of power and energy from Southern California for the remainder of the year; no reduction in Shasta deliveries; and continued voluntary conservative use of electricity.

COMMITTEE RETAINED

The only restriction not suspended by the new order was for increased or new connections, these to still be screened by the established conservation committees in the various areas.

Peter Juhl, manager of the Niles Pacific Gas and Electric Company, said yesterday that he had received a total of 45 applications for new or increased electrical service and these have been forwarded to the citizen committee for consideration.

The Emergency Power Committee for Alameda County revealed this week that it had recommended granting power to 25 individuals and organizations who had filed their applications prior to the power embargo date of March 4.

RECEIVES APPROVAL

Applicants given favorable recommendation from this area were: Granger and Harvey, Alvarado, pumping plant; Harvey Granger, Decoto, pumping plant; Lew Irwin, Irvington, food locker service; Gunther Ripeke, Centerville, irrigation system; Niles Sanitary District, sewage disposal system booster pump; Alameda County Water District, Niles, public water supply water system; Frank Tower, Centerville, electric ranges and lights; Antone Freitas, Niles, cooking facilities; L. A. Bates, Niles Canyon, range and heater; Mel McLaren, Niles Canyon, range and water heater.

Juhl added that although the recommendations have been made by the committee he has not as yet received authorization to make the connections.

P.T.A. PLANS BENEFITS

A benefit "White Elephant" whist party and a food sale will be held Tuesday, April 27, beginning at 2:30 p.m. at the Centerville Elementary School auditorium under the sponsorship of the Parent-Teacher Association. The public is invited.

Ensign Roland Bendel is now stationed at Treasure Island where he is enrolled in a six-month radar training school, affording him the opportunity to spend his off duty hours at the home of his parents, Mr. and Mrs. Roland Bendel, Niles.

ALVARADO MARKET LOOTED BY BANDIT

The Hellwig Meat Market in Alvarado was burglarized Wednesday night or early Thursday morning by a bandit who apparently spent several hours grappling with two safes and a cash register, netting him but $3 in pennies.

Deputy Sheriff Stanley N. Petersen ,who investigated, said yesterday that the outer door of a wall safe had been left unlocked and the bandit punched open the inner door, only to find that it was void of money. An attempt to open the large floor safe was given up after the combination was punched off.

Deputy Petersen said that entrance was gained via the front door.

NEIGHBORHOOD ZONING MEETINGS SET FOR NILES

The zoning committee of the Niles Chamber of Commerce this week made arrangements for four neighborhood meetings at which effort will be made to zone property as nearly as possible in the manner satisfactory to the property owners concerned.

Decision to proceed with the neighborhood meetings was made at the zoning meeting at the Niles Elementary School last Wednesday, at which time it was found that it was not expeditious to try to zone the community in a general town meeting.

Secretary Vernon Ellsworth of the Chamber and member of the zoning committee, has engaged the Niles Justice Court building for meetings on April 19, 20, 26 and 27.

The first meeting, April 19, will be for owners of property west of the Southern Pacific tracks from the Kraftile Company to the eastern line of the California Nursery Company., including Adobe Acres, and west of the Western Pacific tracks as far as Alameda Creek.

The second meeting, Tuesday, April 20, will consider the area south and west of the Southern Pacific tracks in Niles Canyon, including Canyon Heights, the old canyon road, Sycamore street, the state highway southwest to the Western Pacific underpass, Walnut Way, Cherry Lane, and south of the Western Pacific tracks from the state highway underpass along Fremont avenue to a point half a mile past Shinn street.

The third meeting, to be held April 26, will concern Niles proper, the area between the California Nursery, Western Pacific tracks, Southern Pacific tracks and the state highway, to include the portion of Vallejo street owned by the City of San Francisco.

The fourth meeting, to be held Tuesday, April 27, will be for property owners of the area lying north and east of the Southern Pacific tracks from King avenue, including Duarte Avenue, Vallejo street (opposite the S. P. station) and up Niles Canyon to the "steel bridge."

"These meetings have been arranged so that persons most concerned can express themselves specifically on how they think their property should be zoned," the committee emphasizes. "The meetings will be entirely in the hands of the residents of the neighborhoods."

Planning Engineer John Thomas has been asked to be present to answer whatever technical questions will arise, and to record recommendations. The meetings will start at 8 p.m.

The Chamber of Commerce zoning committee consists of L. R. Batman (chairman), Vernon Ellsworth, Howard Mitchell and Dr. E. C. Grau.

NILES P.T.A. WILL MEET NEXT WEDNESDAY

The regular monthy meeting of the Niles P.T.A. will be held next Wednesday, April 21, at 2 o'clock, according to Mrs. A. W. Gorman, president.

Mrs. Tom Morgan will have charge of a musical program, which will follow the business session.

Refreshments will be served by mothers of the seventh and eighth grade students.

RAINFALL TOTAL BOOSTED TO 12.98; WATER LEVELS UP

Rainfall totaling .74 of an inch during the past week has boosted the total for the season from July 1, 1947, to 12.98 inches, according to Manuel Swartz, who maintains the rain gauge at the Southern Pacific depot in Niles.

The rains during the past week increased the slight flow in Alameda Creek and all the water coming down the creek has percolated into the gravel beds, none of it running off into the bay.

CREEK FLOW HELPS

E. A. Richmond, manager of the Alameda County Water District office in Centerville, revealed yesterday that the percolation of the water in the gravel beds has resulted in a raising of the water levels in some of the wells supplying the township.

Richmond pointed out that the water table of the wells is still between 10 and 15 feet below average year's readings, but added that any additional rains will continue to bring up the levels as there is very little pumping at the present time.

It was noticeable from last Saturday's readings of the water tables that the wells nearest Alameda Creek have benefitted most from the rain and creek flow.

STILL BELOW PAR

He reported that the Alvarado well, which read 40.11 feet below sea level on March 6 is now 31.08 inches below sea level.

The Centerville well, which showed the water at 28.21 feet below sea level on March 6, has come up to 26.13 feet. The Creek Road well showed a slight drop to 25.89 feet from the 25.77 reading of March 6.

The Irvington well measured 20.45 feet for a drop of .05 feet from the 20.40 reading of March 6.

The Newark well also failed to show any increase from the recent rains, with the water table dropping from 20.60 to 20.89 feet.

Rainfall recorded here during the past week was as follows:

April 8—.10 inches.
April 8—.10 inch.
April 9—.09 inch.
April 10—.32 inch.
April 12—.09 inch.
April 15—.14 inch (to 7:45 a.m.)

NEW OFFICERS FOR HOME ARTS GROUP

Meeting at the home of Mrs. Wilda Mette in San Jose last Tuesday, members of the Home Arts section of the Country Club elected the following officers: Mrs. James Logan, president; Mrs. Walter Connolly, vice-president; Mrs. Lyle Buehler, secretary-treasurer; and Mrs. Ted Logan and Mrs. Allan Walton, directors.

The group completed plans for the dessert-bridge to be held next Friday afternoon, April 23. The affair is open to the public and is being held at the Country Club. Mrs. W. F. Lamoreux of Niles may be contacted for reservations.

JOSEPH M. GOMEZ DIES AT DECOTO

Joseph M. Gomez, 49, a resident of Decoto for the past thirteen years, died suddenly of a heart attack at his home at 505 Fourth street, Monday.

He was the husband of Florence Gomez, and brother of Mrs. Maria Garcia, San Francisco. He is also survived by his mother and a sister in Puerto Rico.

Funeral services were held from the late residence Wednesday morning, followed by a requiem mass at Corpus Christi Church, Niles, at 9:30 a.m. Interment was at Holy Sepulchre Cemetery, Hayward, under the direction of the Berge Mortuary Company, Niles.

Ceylong became a British crown colony in 1802.

Thinking Things Over...

By VIVIAN BATMAN

Niles, it seems, has come into rather a dubious distinction. A man from Hayward was in our office this week and asked, "What do you know about the Klan?"

"What clan?" I asked, not knowing by his intonation that it was spelled with a "K."

"Why, the Ku Klux Klan," he replied. "Don't tell me you didn't know that Niles is headquarters for the Klan!"

No, I didn't know. The gentleman was willing to lay an impressive bet that he was right. "I don't know WHERE," he said, "but I do know they are meeting in Niles."

All I can say is, that this is going to cause a state of confusion. How will one know whether the Ghost Girl of Niles Canyon is a Ghost Girl or a Klansman?

DEADLINE

Next Thursday is the deadline to register for voting in the June primaries. What kind of an American citizen are you? The answer lies in whether or not you register . . . and then, of course, vote!

If the privilege of voting were taken away from you, you'd quickly shout about it.

BOYS ARE DYING

I would have believed it of girls—but never of boys, until I was told about it by a mother who had to face the problem. High school boys, it seems, are now dying their hair. Shades bordering on pink, purple, and brick seem to be the favorites. These shades may not be what they aim at, but that is the way they come out. To have hair in its natural shades is to court unpopularity.

An eleven-day display of flowers grown in California will be featured at the 1948 California State Fair at Sacramento, opening September 2, according to N. W. Armstrong, chairman of the floricultural committee.

VOTE REGISTRATION DEADLINE APRIL 22

April 22 is the deadline for registration to be eligible to vote at the June 1 primary election.

All residents of Washington Township who did not vote in either the primary or general election of 1946, or who have moved into a different community since that time, were warned this week that they have less than a week in which to register.

Every citizen is eligible to register who is 21 years of age, a resident of California for one year; of Alameda County for ninety days, and of his precinct for forty days.

Naturalized citizens must take their naturalization papers with them to register.

For the convenience of its readers The Register is again listing the places throughout the township where registration books are located:

Niles: Niles Electric Company, George Rose, and Solon Brothers.

Mission San Jose: Mrs. Lois Bottenberg.

Newark: Jolly's Pharmacy.

Warm Springs: Joseph Brown.

Irvington: R. J. Wright.

Decoto: P. J. Faletti and Gail B. Brown.

Centerville: Cardoza Real Estate office.

Alvarado: George Brothers Appliance Store.

NILES SPORTSMEN SHOOT ON SUNDAY

Final preparations have been made for the merchandise shoot to be held by the Niles Sportsmen's Club at the Joe Castro Ranch on the Mission San Jose highway next Sunday, April 18, according to Loren Mohn, publicity director of the affair.

Last Sunday, the coming event was heralded widely throughout the township when some of the boys toured the area in Jimmy Damas' old Model T and a rowboat on wheels towed behind. John Andrews had equipped the entourage with a loudspeaker, which constantly gave forth with announcements and music.

Under the general chairmanship of Joe Pine, the shoot will be for high-power, .22 rifle, trap shooting, and possibly archery.

Guns, ammunition and refreshments will be available at the grounds.

Prizes will consist of merchandise from various Niles business houses, the affair will be open to the public.

CENTERVILLE C.Y.C. HAS 90 MEMBERS

Officers of the Catholic Youth Center of Centerville met this week and drew up by-laws and a new constitution for the organization.

Attending the meeting were: Rev. Thomas O'Kane, chaplain; Joseph Lewis, president; Mary Senn, vice-president; Elaine Bettencourt, secretary; Lorraine Brown, treasurer; and Mr. and Mrs. Phil Sousa, sponsors.

The Centerville Catholic Youth Center, which has been in operation for the past year, now has an active membership of 90. Plans are now being made for a dance on May 1. James Duarte, chairman of the decorations committee, has revealed that included in the evening's entertainment will be a May Pole dance. Refreshments will be served.

NEW ANGLING LAWS IN EFFECT MAY 1

The Division of Fish and Game has issued a reminder to California's 800,000 sport fishermen to mark May 1 on the calendar as an eventful day.

On that Saturday, most of the 1948 angling regulations set by the Fish and Game Commission will take effect, with the following important changes:

Summer trout season opens for six months in all parts of the state.

The first year-round open season on black bass, crappie, sunfish and perch begins in inland lakes and streams.

Bay limits of salmon will be reduced to three in some streams and bays.

Bag limits of striped bass will be two to five fish.

No more than ten Pismo clams may be taken per day.

Bag limit on mullet taken in the Colorado River area will be reduced to six fish.

Scores of additional streams and lakes will be closed for conservation purposes by executive order.

Abstracts of old and new regulations will soon be available at all Division offices and many license agencies.

BOXING CARNIVAL AT HIGH SCHOOL DRAWS FULL HOUSE

A 1,300 capacity audience of sportfans crowded into the gymnasium of Washington Union High School last Friday night to witness the annual Boxing Carnival.

The high school boys, in 11 bouts, provided a full evening's entertainment of action, throwing leather in a fast and furious fashion.

The carnival opened with a fast three-round bout between Dave Duran and Lawrence Rose in the 122-pound class with Duran winning the nod from the judges. Although all the bouts were exceptionally good, perhaps the most outstanding from the spectator's standpoint were the Ruben Rodriguez-Dave Nelson go in the 152-pound bracket, and Dan Elizarrey-Max Ayala, 140 pounders.

Outcome of the bouts were as follows:

Dave Duran defeated Lawrence Rose.

Bill Ruelas defeated Frank Sagpindel.

Tony Zendejas defeated Bob Hernandes.

Jackie Borge vs. Robert Sausedo, draw.

Phil Enciso defeated Don Andrade.

Don Pine vs. Merle Runolfson, draw.

Frank Correia defeated Clarence Chivers.

Al Figueroa defeated Alvin Silva.

Rueben Rodriguez defeated Dave Nelson.

Dan Elizarrey defeated Max Ayala.

Bill Funk defeated Don Brazil.

DOGS KILL 30 HEAD OF SHEEP

Thirty sheep and lambs on the property of the Leslie Salt Company at Mt. Eden were killed by dogs last week-end, according to a report filed with the sheriff's office.

The animals, valued at approximately $400, were owned by Larry Dutra, superintendent at the Leslie Plant, according to Charles F. Baird, county dog enforcement officer.

SOFTBALL LEAGUE TO OPEN MAY 24; 12 TEAMS ENTERED

Final division of the 12 teams to play in the A and B divisions of the Washington Township Softball League during the 1948 summer season, was made at a meeting of managers held Monday evening at Washington Union High School.

Scheduled to be pitted against each other in the A division are the teams which finished in the top six positions in last year's league competition. They are: Mission San Jose Firemen, Kleine's, Vilelas, Native Sons, Central Chevrolets, and Westvaco.

THREE NEW TEAMS

Playing in the B division will be Fricks, Kraftile, Pacific States Steel, Wedgewood, L & V Farm Sales, and Mission San Jose Firemen Juniors. Three of the B teams are entering the league for the first time, Pacific States Steel, L & V Farm Sales, and Mission Firemen Juniors, and Wedgewood will be back after missing last season.

League President Al Silveira handed out contracts for the managers to use in signing up their 15-man squads and warned that the deadline for returning the contracts is one week before the season opens on May 24. He added that during the first two weeks of league play the managers would be allowed to make a minimum amount of shifts in their roster of players.

60 GAMES SCHEDULED

The 1948 season calls for 30 games in each division for a total of 60 games, bringing the league play to an end, barring any rained out games, on July 18. Doubleheader games, one in each division, will be played five nights a week, Silveira said.

Just what form of playoff system will be used at the close of the regular season's play, was not decided at this week's meeting, but will be determined by the managers in the near future.

Alfalfa was introduced into California by 1851 as "Chilean clover."

STATE OFFICE TO OPEN IN HAYWARD

James H. Quinn, local member of the State Board of Equalization, announced today that a branch office of the board will be opened in Hayward at 723 C street on April 20.

Quinn said, "I am happy to announce the opening of a branch office of the Oakland district of the board in Hayward next Tuesday. This office, under the direction of John B. Evans, district tax administrator, and Joseph W. Soares, district liquor administrator, will be operated on a five and one-half day week, serving all district from San Leandro to the southern end of Alameda county.

"I am gratified to make available to the taxpayers and licensees in the Hayward area the same services rendered by the main office in Oakland. The rapid growth and increased business activity requires this localized service. The office will be available for the payment of the state sales and use tax, transportation tax, and liquor license fees and taxes that are administered by the board."

The staff will consist of seven employees in the tax divisions and three employees in the liquor division of the board.

NATIVE DAUGHTERS FETE HAYWARD

At the last meeting of Laura Loma Parlor, Native Daughters of the Golden West, held on April 6, members were hostesses to the officers of Hayward Parlor who journeyed to Niles for a practice meeting anticipating the official visit of Grand President Doris Treat of San Andreas at Hayward on April 27. At that time, the grand president will make her official visit to both parlors.

President Irene Bales of Laura Loma Parlor has appointed Ivy Cull general chairman for the evening. She and her committee have been holding meetings with the committee for Hayward parlor and plans are underway for a most outstanding affair.

Following the regular order of business and the practice meeting, Laura Loma Parlor served delicious refreshments to their guests. Mrs. Irene Bales, Mrs. Norman Rose, Mrs. Mary Fields, Mrs. Dorothy Rose were in charge of decorations and refreshments.

The Officers of Laura Loma met with the Hayward Parlor at Hayward Tuesday evening for a final practice.

LEGAL NOTICE

OFFICIAL NOTICE OF SALE OF BONDS OF IRVINGTON SANITARY DISTRICT OF ALAMEDA COUNTY, STATE OF CALIFORNIA

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the Sanitary. Board of Irvington Sanitary District of Alameda County, State of California, at the office of said District, Leal Building, situated on the northerly side of Mission Street, Irvington, Alameda County, California, on

TUESDAY, MAY 4, 1948

at the hour of 8:00 P.M. (C.D.S.T.) for the purchase of $120,000 principal amount of bonds issued by said Irvington Sanitary District, which said bonds are more particularly described below:

ISSUE:

$120,000, consisting of 120 bonds of the denomination of $1,000 each, numbered 1 to 120, inclusive, all dated June 15, 1948.

INTEREST RATE:

Maximum five (5) per cent. per annum, payable semi-annually on June 15th and December 15th in each year. Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates irrespective of the maturities of said bonds. The interest rate stated in the bid must be in a multiple of one-quarter of one per cent. per annum, payable semi-annually.

MATURITIES:

Said bonds mature serially in consecutive numerical order, from lower to higher, $6,000 principal amount on June 15th in each of the years from and including 1949 to and including 1968.

PAYMENT:

Both principal and interest payable in lawful money of the United States of America, at the office of the Treasurer of Alameda County, in the City of Oakland, California, out of 1948 Bond Fund of Irving-Sanitary District.

REGISTRATION:

Coupon bonds will be issued by the District. Such bonds are registerable only as to both principal and interest.

PURPOSE OF ISSUE:

Said bonds are authorized for the purpose of raising money for the construction and acquisition of sewers, manholes, lampholes, sewerage collection system, sewage treatment plant, sanitary disposal system and reconstruction of outlet sewer, together with land, easements and rights of way.

SECURITY:

The bonds are obligations of Irvington Sanitary District, and the Sanitary Board of said District has power and is obligated to cause annual ad valorem taxes to be levied upon all property in said District, subject to taxation by said District, for the payment of both the principal of and interest on said bonds without limitation of rate or amount.

TAX EXEMPT STATUS:

In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax Laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the Bureau of Internal Revenue, or by decision of any Federal Court, the successful bidder may, at his option, prior to the tender of said bonds by the District, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION:

The legal opinion of Messrs. Orrick, Dahlquist, Neff, Brown & Herrington, of San Francisco, California, approving the validity of said bonds will be furnished to the successful bidder without charge.

TERMS OF SALE

HIGHEST BID:

The bonds will be awarded to the highest and best bidder considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from the date of said bonds to the respective maturity dates at the coupon rate or rates specified in the bid, and the award will be made on the basis of the lowest net interest cost to the District. The lowest net interest cost shall be computed between the dates aforesaid according to standard bond interest tables. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the District.

RIGHT OF REJECTION:

The District reserves the right, in its discretion, to reject any and all bids and to waive any irregularity or informality in any bid.

PROMPT AWARD:

The Sanitary Board will take action awarding the bonds or rejecting all bids not later than 24 hours after the expiration of the time herein prescribed for the receipt of proposals; provided that the award may be made after the expiration of the specified time if the bidder shall not have given to the Board notice in writing of the withdrawal of such proposal.

PROMPT DELIVERY:

Delivery of said bonds will be made to the successful bidder at the office of the Treasurer of Alameda County in Oakland, California, as soon as the bonds can be prepared, which it is estimated will be July 1, 1948.

RIGHT OF CANCELLATION:

The successful bidder shall have the right, at his option, to cancel the contract of purchase if the District shall fail to tender the bonds for delivery on or before July 15, 1948, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

FORM OF BID:

All bids must be unconditional for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check must be enclosed in a sealed envelope addressed to the Sanitary Board of Irvington Sanitary District of Alameda County and endorsed, "Proposal for 1948 Bonds, to be issued by Irvington Sanitary District of Alameda County."

BID CHECK:

With each bid must be submitted a certified check or cashier's check for $5,000, drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the order of the Treasurer of Alameda County to secure the District from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the District. Checks of the unsuccessful bidders will be returned by the District by mail upon the award of the bonds. No interest will be paid upon the deposit made by any bidder.

FINANCIAL STATEMENT

Further information relative to the financial condition of the District will be furnished to any bidder upon request.

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of the District, or the title of the officers to their respective offices.

Dated: April 13, 1948.

COWEN, Jr., as Trustee, will sell at public auction to the highest bidder, in cash, in lawful money of the United States of America, the following described real property, situate in the City of Niles, Township of Washington, County of Alameda, State of California, to-wit:

Portion of the 10.10 acre tract of land described in the deed by Charles Crocker to Thomas J. Sullivan, dated October 4, 1887, recorded October 22, 1887 in Book 336 of Deeds, page 157, Alameda County Records, described as follows:

Beginning at the intersection of the Northern line of First Street, or County Road No. 7628, as said Street now exists 50 feet wide, with the Western line of said 10.10 acre tract; running thence along said line of First Street South 74° 06′ East 100 feet; thence North 15° 54′ East 129.10 feet to the Southern line of the right of way of the Central Pacific Railway Company; thence along the last named line Westerly on a curve to the right with a radius of 19694.28 feet; a distance of 100.13 feet to the Western line of said 10.10 acre tract; thence along the last named line South 15° 54′ West 124.13 feet to the point of beginning.

Said sale will be made to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain Deed of Trust, executed by Pacific Cold Storage Company, a Corporation, through Wayne Jewell, its President, and Burton R. Brace, its Secretary, to Oakland Title Insurance and Guaranty Company, a California Corporation, as Trustee, for the benefit and security of Chester E. Jones and Helen V. Jones, his wife, as joint tenants with the right of survivorship, as Beneficiaries, dated January 23, 1946, and recorded January 24, 1946, in Liber 4824 of Official Records, at Page 222, in the Office of the County Recorder of the County of Alameda, State of California.

Notice of Default and Election to Sell Under Note and Deed of Trust and/or of breach of said obligation and election to sell said real property, identifying the Deed of Trust by stating the names of the Trustor, the Trustee, and the beneficiaries respectively and giving the date of recordation and the book and page number where the same is recorded, and containing a statement that a breach of the obligation for which such transfer in trust is security, has occurred, and setting forth the nature of such breach and of beneficiaries' election to sell or cause to be sold such property to satisfy the obligation, was recorded on August 22, 1947, in Liber 5201, of Official Records, at Page 228, in the office of the County Recorder of said County of Alameda, State of California; and immediately thereupon, copies of such notice were mailed, postage prepaid, to each person who requested special notice under Section 2924(b), California Civil Code.

A Substitution of Trustee and Conveyance to New Trustee, appointing the undersigned, J. Jeff. Cowen, Jr., in the place and stead of Oakland Title Insurance and Guaranty Company, a California Corporation as Trustee, under and in said deed of Trust, dated March 13th, 1948, was recorded on March 17, 1948, Recorder's Series No. AC22257, in the office of the County Recorder of said County of Alameda, State of California.

Dated: March 19th, 1948.

NILES FAMILY HAS FIVE GENERATIONS

It's not unusual for a mother to have an 8-pound, 10-ounce son, but in the case of Mr. and Mrs. Gino Guidi of Vallejo, former Niles residents, there is a bit of the unusual.

When their son, Allan Randle Guidi, was born in Peralta Hospital, Oakland, on April 10, he became the fifth generation in his mother's family. His great-great-grandmother is 96-year-old Mrs. Mary Spagnolli, Reno, Nevada; his great-grandmother is Mrs. Carolyn Fontana of Niles; his grandmother is Mrs. Archie Henderson, Niles; and his mother is the former Lorraine Henderson of Niles.

The youngster and his mother are now at the home of her mother, Mrs. Henderson, in Niles, where they will remain for a few weeks before returning to their home in Vallejo.

Engineer Gives Reasons for Opposing Reber Plan

(Editor's Note: The following article by Leonard S. Doten, retired U. S. Army engineer, was published recently in the Palo Alto Times The Register reprints it here in accordance with our policy of presenting as fully as possible both sides of important controversial issues.)

It has recently become apparent to the writer that the public is not well informed on some of the essential elements of the scheme for a bay crossing at San Francisco now being propagandized so extensively. This scheme is one which would transform bodies of salt water into fresh water lakes in some magical way. It is the product of fantastic imagination, but wholly lacking in true creative imagination, the factor which is so essential in conceiving and producing great public works.

The reactive effect upon the writer has resulted in a resolution to prepare the following brief analysis, hoping it will aid in bringing about a better understanding of one of the great problems which is so vital to the people living in the Bay area. It is only by the process of analysis that confusion and misdirected effort can be allayed. Intelligent persons should give at least enough attention to the study of public questions so they may avoid dissemination of erroneous ideas.

Perhaps the Army-Navy Board, which undoubtedly thoroughly understood this scheme, should have given the public more information concerning it, even though the board thought it was not worthy of much attention. Now the propagandists are trying to make it appear that the board is a reactionary body.

The main features of the scheme in question consist of two causeways, one just south of the San Francisco-Oakland bridge, and the other connecting Castro Point in Richmond to San Quentin Point, and a canal 10½ miles in length connecting San Francisco Bay with San Pablo Bay. One purpose of this scheme is to convert these two bodies of salt water into fresh water lakes by making use of the flow from the Sacramento River. There are incidental features in addition, such as the reclamation of certain tideland areas and a lock for controlling the shipping entering the canal from the bay. It should be stated at this point that the fill in front of Berkeley is necessary as a means of constructing the canal.

The errors of this highly imaginative scheme are readily obvious to any qualified engineer who has specialized in this class of public works. Briefly, some of the items are the following:

DEMAND FOR MATERIALS

1. The demand for construction materials such as rock and sand would be very great. Not sufficient quantities are available within economic hauling distances of the causeways and areas to be reclaimed. Consequently the cost of transportation of such materials would be prohibitive.

2. About one quarter of the highly developed waterfront of San Francisco, that lying for a distance of about 2,500 feet southerly of the Bay Bridge, would be destroyed to make way for the western terminus of the main causeway. This includes some of the best piers on the waterfront.

3. The two Navy yards, Hunter's Point and Mare Island, would be bottled up—cut off from the harbor, except for small-sized craft. The canal would not be navigable for the larger vessels.

4. The waterfront of Oakland would be almost wholly eliminated. This would include the U. S. Army transport piers and the Southern Pacific Railroad piers.

5. The proposed canal would pass through the railroad yard and shops located in Richmond. This area is near its northern terminus.

6. The tidelands along the waterfront of Emeryville, Berkeley, Albany and Richmond have great potential value and should be reclaimed and developed. The proposed canal, however, would decimate this area to such an extent as to destroy much of its value.

7. San Francisco Bay, south of the main causeway, could be used only to a very limited extent for shipping, owing to the narrow waterway leading to it. Incidentally all shipping to Mare Island, Hunter's Point and adjacent industrial areas would be eliminated for many months during the process of construction.

8. The water along the greater portion of the main causeway could not be used for piers, as proposed, on account of excessive depths, 50 to 70 feet.

9. The construction of the northern causeway would cost far in excess of warranted expenditure of funds for the amount of traffic that would develop at that crossing.

10. The cutting of a waterway across the easterly approach of the San Francisco - Oakland Bridge would be an insurmountable task, an absurdity. That would be a requirement if the general scheme under discussion were approved. Here, too, if one could imagine such a procedure, the entire traffic of the San Francisco-Oakland Bay Bridge would be suspended for many weeks during construction. How could the canal and transportation lines be in operation at the same time? The situation reminds one of the fundamental law of physics—that of two bodies cannot occupy the same space at the same time.

11. The southern or main causeway would be the most difficult work to carry out of the entire project. Unprecedented conditions on a very large scale would be encountered, great depths of water over a distance nearly four miles and tidal currents resulting from a tide range of approximately six feet. As the height of structure neared the water surface the swift currents would mark the work of placing of rock not only difficult and extremely expensive, but hazardous.

FRESH WATER LAKE

When one realizes that a large portion of the contemplated work is for the purpose of supplying fresh water to the south bay, with a view of converting that body of water into a fresh water lake, there is sufficient reason for doubt as to the validity of the whole project. Since that transformation is an impossibility, what other conclusion could be reached? The controlling conditions not only favor the maintenance of, but a gradual increase in, the salinity of that body of water in the years to come.

The Charles River Basin, Boston, Massachusetts, which was formed by constructing a dam across the river near the point where it discharges into Boston Harbor, was at the time of construction, nearly as saline as the water of the harbor and since has continued to be saline in the lower depths. This shows how difficult it is to dislodge the heavy salt water when the outflow is at the surface. The writer, while a student in sanitary engineering at Harvard, conducted a series of tests in the Charles River Basin and the results as to salinity confirmed the preceding statement.

NO OUTLET

How, therefore, could it reasonably be expected that the south bay would ever become a body of fresh water, especially since it would have no outlet and the only inlet of any importance would contain a large amount of salt water? Evaporation would, on the average, amount to about 48 inches of depth per annum, and the rainfall approximately one-third of that amount. The difference would be made up by the inflow from the salt water canal. There, of course, would be a tendency for the upper bay to become less saline, but that in no way would benefit the south bay. The salt content of this last-named body of water is estimated at not less than 200,000,000 tons. By the time the north bay became fresh, in a distant geological age, the south bay would have acquired perhaps another 200,000,000 tons of salt.

The writer regrets that the laws of nature prevent us from having a beautiful fresh water lake near us. It also would be of great value as a source of supply of water for irrigation of the orchards of Santa Clara county.

Fortunately the various schemes for bay crossings will be critically analyzed by the engineering force of the State Board of Public Works before any construction work is authorized. The shortcomings of the scheme discussed in this article undoubtedly will be detected and proper action taken by the board.

Rocks which have folded into tremendous arches thousands of feet high and equally broad are called anticlines.

BODY RECOVERED

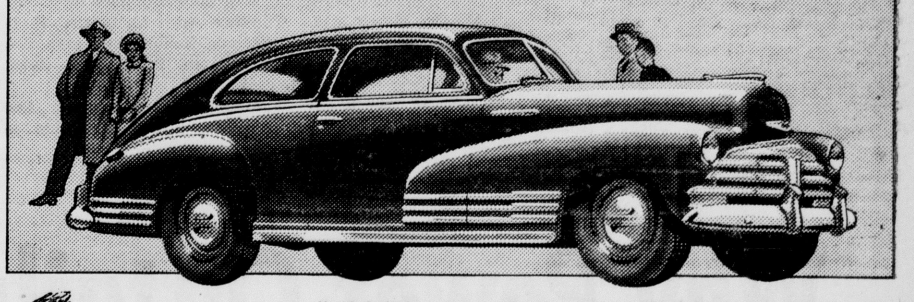
The body of Harvey Ray, 19, son of Sam Ray, Livermore, was found washed up on a beach in Lower California early this week. The youth, a student at Sacramento Junior College, was drowned on March 25 while on a fishing trip with two other youths.

Although fish can "hear," they have no external or middle ear.

A benefit food sale will be given at the office of R. J. Wright in Irvington Saturday, beginning at 1 p.m., by the Church Women's Association of the Irvington Community Church.

"Talk about VALUE," says America

"CHEVROLET and ONLY Chevrolet IS FIRST!"



You'll get much better performance with economy from Chevrolet's world's champion Valve-in-Head engine. It has the finest record of dependability of any automotive power plant! And Valve-in-Head engines are exclusive to Chevrolet and more expensive automobiles.

You'll find that new front-end styling—new colors—new and even more luxurious interiors add still further to the Big-Car beauty of Chevrolet's Bodies by Fisher. They're the world's finest bodies, found only on Chevrolet and higher-priced cars.

CHEVROLET

Yes, from one end of the country to the other, public enthusiasm for the new 1948 Chevrolet points to a great public conviction that CHEVROLET AND ONLY CHEVROLET IS FIRST in *all-round value* as in popularity. More people drive Chevrolets, according to official nationwide registrations and more people want Chevrolets, according to seven independent nationwide surveys than any other make of car. Your own judgment will tell you that this is because Chevrolet gives more value . . . because it alone offers BIG-CAR QUALITY AT LOWEST COST!

You and your family will have Big-Car safety, too. For Chevrolet brings you the *three-fold* protection of Fisher Unisteel body-construction, the Knee-Action Ride, and Positive-Action Hydraulic Brakes—another combination of features found only in Chevrolet and more costly cars.

As you know, public demand for new 1948 Chevrolets is at the highest level in all Chevrolet history. For that reason, we urge you to keep your present car in good running condition, pending delivery of your new Chevrolet. Come in, get skilled, dependable service, now and at regular intervals.

FLOOR COVERING

We feel fortunate in having George "Curly" Biery to head our Floor Covering Department. Mr. Biery has years of experience in this field and is an expert.

He will sell and install: Rubber Tile; Asphalt Tile; Mastipave Tile; Linoleum; Wall Covering; Wall Linoleum; Drain Boards; Cove Base; . . . in such nationally known lines as Armstrong, Pabco, Nairns, Sloan-Blabon, and Sandura.

DRAPERY AND UPHOLSTERY

We are proud to introduce this new service to Washington Township, and we are fortunate in acquiring the services of Mr. and Mrs. J. Harry who will have complete charge of the department.

Mr. and Mrs. Harry are well experienced in this field, having operated their own business in Stockton for several years. They will feature drapes of all types, made to order; bed spreads: slip covers; upholstery of all kinds, including leather coverings for commercial installations. According to Chrysler, this department will carry the most compelte lines of drapery and upholstery materials in Alameda County.

FURNITURE AND APPLIANCES

Jens Pedersen, who recently completed his training under the Veterans' Administration, will be assistant manager of this department and will be in full charge of shipping service and bookkeeping.

Arthur H. Grover, another World War II veteran, will assist in the sales department and will be our outside contact representative for both stores.

NEWS FROM WALT . . .

Three and one-half years ago we came to Washington Township and put in the first furniture store.

You people of Washington Township have been very good to us and our business has grown to a point where we have to have more space which will enable us to give a better service and a wider selection of merchandise.

It has always been our aim to sell furniture and appliances equal to large city stores, so we have placed around us men of experience, which will enable us to do just that.

All of our lines of merchandise are nationally advertised products and factory representatives of many of the lines will be present today to demonstrate and talk with you about their latest products.

To each and every one of you we extend our most cordial invitation to attend our grand opening.

NAMED MANAGER OF ORIGINAL STORE

Our original Niles Furniture Store at 748 First Street, will be operated by O. B. Stanger. Mr. Stanger was formerly manager for the Boles Furniture and Appliance Company in Ogden, Utah, and for 9 years was in the appliance department of Breuner Company's Store in Richmond.

We will carry a larger line of used furniture and a complete line of new furniture at this store.

TICKETS NOW ON SALE FOR LIONS CLUB LAFF SHOW

The Lions Laff, a home talent variety show featuring an all-male cast, will be presented in two evening performances at the auditorium of Washington Union High School by the Centerville Lions Club on April 22 and 23.

Gene Manning and Jud Taylor, show committee for the club, have promised an hour and a half of laugh-filled entertainment, the likes of which has never been seen here. John Williamson will serve as master of ceremonies and will introduce and narrate such skits as "A Late Train," "Living Statues," "Wild Nell, the Pet of the Plains."

A BUXOM CHORUS

Musical entertainment will be provided by Cliff Fields and his high school dance band; Jack Gaunt, popular accordionist; and Jack Stevenson, pianist.

Highlight of the show will be the performance of two surprise "feminine" dancers and a chorus of eight "damsels," modeled after the New York City Rockettes, but on a much heavier scale.

Proceeds of the show will go into the club's fund for eye correction for needy children of the township.

TICKETS ON SALE

Tickets for the two nights' performances went on sale this week and Jim Logan and Loren Marriott have announced that tickets may be purchased at the following business houses: Centerville—Do-Nut Nook, Joe Adams, Township Auto Parts, Coit's Hardware, Chapman & Goodwin, Cloverdale Creamery, Cardoza Real Estate, L & V Farm Sales, Central Chevrolet, Bolivia's Market, Norris and Broun; Irvington—Hirsch Store, Township Cleaners, H & K Appliances, Walter Connolly's; Newark—Edward L. Rose Store, and Sears & Houston.

PLAN IRRIGATION DEMONSTRATION

Use of irrigation water and farm electrical power will be discussed at several irrigation meetings scheduled by the Agricultural Extension Service, says Farm Advisor Lee Benson.

Demonstrations will cover the water holding capacities of soils, methods of application, penetration, and the farmer's individual problems.

A representative from the Pacific Gas and Electric Company will be in attendance to discuss the electrical power allocation and answer the problems the farmers may have.

Demonstrations have been arranged at time and place indicated:

Tuesday, April 20, 10 a.m., Robert Zwissig Ranch, southeast corner Cook and P. G. & E. Road, Newark.

Tuesday, April 20, 1:30 p.m., Lee S. Williams Ranch, east side of Centerville-Irvington highway, 1½ miles south of Centerville.

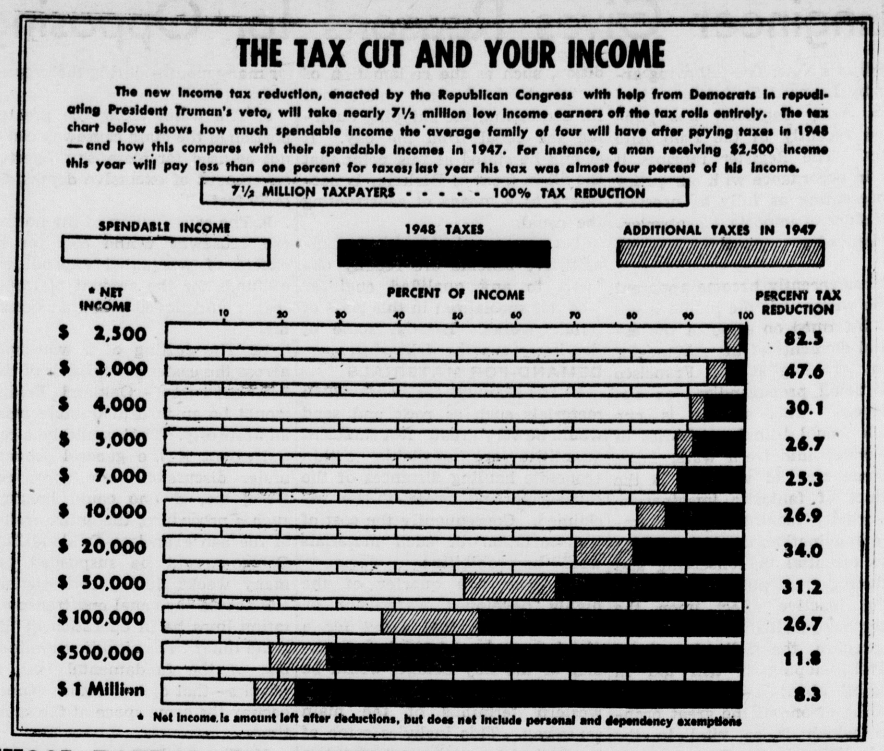
Thursday, April 22, 10 a.m., Roy A. Clark Ranch south side of Driscoll Road, ½ mile west of Niles-Mission San Jose Road.

Thursday, April 22, 1:30 p.m., Manuel Abreu Ranch, east side of Alvarado-Centerville highway, one third mile north of Alviso school.

DUNN TO CONDUCT COLLEGE HEARING

Assemblyman Francis Dunn Jr. will conduct hearings in Los Angeles Friday and Saturday, April 16 and 17 on matters relative to the proposed new State College in the Central Los Angeles area.

Dunn, who represents the Washington Township area in the State Legislature, is chairman of the Assembly Interim Committee on Education which has been assigned to continue the study of higher education facilities started by a joint group representing the University of California and the State Department of Education.



THE TAX CUT AND YOUR INCOME
The new income tax reduction, enacted by the Republican Congress with help from Democrats in repudiating President Truman's veto, will take nearly 7½ million low income earners off the tax rolls entirely. The tax chart below shows how much spendable income the average family of four will have after paying taxes in 1948 — and how this compares with their spendable incomes in 1947. For instance, a man receiving $2,500 income this year will pay less than one percent for taxes; last year his tax was almost four percent of his income.

Why Power Curtailment Was Suspended

Abnormally heavy late season rains, new P. G. and E. power, and more power from other sources combine to end shortage

Heavy rains and snows during the last month raised P. G. and E. reservoirs and increased the snow pack in the mountains enough to permit the suspension of curtailment, at least temporarily.

Here is what brought about the change:

1. **January weather in Springtime** . . . which replenished reservoirs, increased the snowpack and cut the need for unseasonable farm pumping.
2. **New P. G. & E. power plants** . . . like the 101,000 horsepower Kern Steam Plant near Bakersfield which is expected to be in operation this month, and others coming on the lines soon.
3. **Additional power from other sources.** We are tapping every feasible source of power. For example, increases in deliveries from Southern California and Shasta Dam.
4. **Daylight time and voluntary savings** by our customers. These also helped, and it is important now that they continue.
5. **Water saved during curtailment.** We were able to hold precious water in our reservoirs because of the power cut.

Another appraisal of water and power supplies will be made by June 1.

Meanwhile, We're Working Night and Day on New Generating Plants

Everything possible is being done to rush P. G. and E.'s long-term power building program initiated in 1945. This huge construction program will add nearly 2,000,000 horsepower to our generating capacity in the next 3½ years. Here are some of our major projects which will come on the lines soon:

Kern Steam Plant, near Bakersfield, will generate 235,000 horsepower. The first 101,000-horsepower Kern unit is expected to go on the line in the next few days.

Electra and West Point Powerhouses on the Mokelumne River, will generate 154,000 horsepower. Electra's 133,000-horsepower will be on the line this summer.

Station "P" Steam Plant, San Francisco, will produce 300,000 additional horsepower. It will go on the line this winter.

Rock Creek and Cresta Powerhouses, on the North Fork of the Feather River, will generate 270,000 horsepower. These plants are scheduled for completion in 1949 and 1950.

Another Steam Electric Unit . . . An additional 150,000 horsepower steam unit at a location as yet undetermined will be completed in 1950.

THANKS FOR YOUR HELP DURING THE EMERGENCY.
We know you will continue to guard against waste of electricity in every way you can.

SCHOOL PATROLS TO COMPETE TOMORROW

Traffic patrols of Washington Township elementary schools will journey to Hayward tomorrow (Saturday) to compete in the annual review of patrols from Alameda county schools.

The colorful affair, open to the public, will be held at Hayward Union High School and an estimated 375 boys and girls are expected to participate. The Washington Union High School band will be one of three high school bands that will take part in the parade of patrols.

Prizes will be awarded for first, second, and third place patrols based on marching ability, general appearance, and discipline. The patrol from Irvington school last year won second place in the contest.

FOOD SALE TOMORROW

A benefit food sale will be sponsored by the Laura Loma Parlor, N.D.G.W., Saturday, April 17, at Frick's Plumbing Shop in Niles, from 11 a.m. to 2 p.m.

The students of the Centerville Elementary School enjoyed a program presented on Friday afternoon, April 9, by Robert Bruce, vocalist, and Dale Sandifur, pianist.

The committee of students in charge of arrangements was Loretta Facey, Patricia Santos, William Perry, Lupe Ruano, and Billy Ward.

SCHOOL CAFETERIA NEARS COMPLETION

Installation of all the necessary equipment for Warm Springs Elementary School's new cafeteria will be completed within the next week, according to Principal James Nunes.

Nunes added, however, that the cafeteria could not begin serving noon meals until some sort of sponsoring organization has been formed to furnish the necessary funds for operation. He said this week that plans are now underway for the formation of either a Mothers' Club of a Parent-Teacher Association and a meeting of parents is to be called in the near future at which time the proposal will be discussed.

RAYMOND RAY'S CIRCUS

Raymond Ray's Circus will be presented in the Centerville Elementary School auditorium on Friday evening, April 16, at 8 o'clock. Admission will be 16 cents for grammar school students and 35 cents for high school students and adults. The public is invited.

This will be a benefit for the eighth grade class.

The following students are in charge of arrangements: Lorraine Martin, Betty Barcide, George Pimentel, Leonard Brown, Jack Ferraris, and Frank Senn.

PLAN GIRLS' PLAY DAY

A play day for seventh and eighth grade girls of Washington Township will be held at the Centerville Elementary School on Thursday afternoon, April 29, from 2 to 4:30 o'clock.

There will be relay races, volleyball, and folk dancing.

Plans are being formulated by Mrs. Grace C. Rickets, county superintendent of schools office, Mrs. Alice Lambrecht and T. P. Maloney, Centerville School, and Miss Shirley J. Hertz, Decoto chool.

Warm Springs, Irvington, Mission San Jose, Centerville, Newark, Alviso, Alvarado, Decoto, and Niles Schools thave been extended invitations.

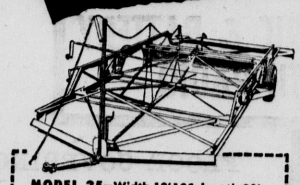
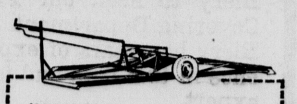
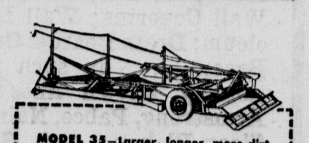
You Can Handle ALL 3 with an EVERSMAN Automatic



MODEL 25—Width 12'10", length 32', cutting blade length 9'3", depth 22", requiring 38 H. P. (drawbar).



MODEL 12—Width 12', length 21", cutting blade length 9'3", depth 16", 3 plow tractor. Model 9 shown at top of page slightly smaller for 2 plow tractor.



MODEL 35—Larger, longer, more dirt capacity than Model 25. Both 25 and 35 have main frame spliced for converting in field to maneuverable dirt mover.

HERE'S A LABOR-SAVING, MONEY-MAKING MACHINE ...with an Eversman you get land in table top condition quickly and easily. Eversman-leveled fields irrigate themselves. You save time, labor, water, grow better crops—mechanized equipment works faster, more efficiently. The Eversman levels land AUTOMATICALLY—when wheels go on high place blade lowers to take a cut, when wheels go into a low place blade raises to release dirt. It levels the land, breaks clods, firms and packs the surface, forming a finely pulverized seed bed as the machine moves along.

Same machine is fastest dirt mover on the market today for power required. Excellent for rebuilding fields or reclaiming land. After dirt is moved it can be graded down and AUTOMATICALLY LEVELED with the same machine. Here's a 3-way machine used not only for the initial job of dirt moving and leveling, but for maintaining contours, soil conservation work and preparing seed beds year after year.

IRVINGTON C. OF C. WILL INCORPORATE

Members of the Irvington Chamber of Commerce, at a luncheon meeting held Tuesday noon at Roethlin's Cafe, voted to incorporate the organization, and Gus Robertson was instructed to contact a local attorney to complete the legal details.

President Vernon Leal, who presided, appointed a committee compose of Lee Williams, Carl Christensen, and Gus Robertson, to make arrangements for the sale of a bus purchased last year. The members voted to sell the vehicle rather than be responsible for operating it for local groups.

CHRISTIAN SCIENCE SERVICES

"Doctrine of Atonement" is the subject of the Christian Science Lesson-Sermon for Sunday, April 18, with the Golden Text from I Timothy: "There is one God, and one mediator between God and men, the man Jesus Christ" (2:5).

The following citation is taken from the sermon.

John: "I and my Father are one" (10:30).

DR. JOSEPH BLACOW ADDRESSES LIONS

Dr. Joseph Blacow, former Irvington resident, and now head of business education at Monterey Peninsula Junior College and an instructor at Stanford University, was the guest speaker at the dinner meeting of the Centerville Lions Club Tuesday evening at the International Kitchen.

Dr. Blacow chose as his topic, "Communism and Democracy," and delivered an inspiring address on the functions and ideas of Communism, Socialism and Democracy.

The district Lions Club Speaking Contest, for high school students, was held in conjunction with the meeting. Tom Roberts, Castlemont High School, Oakland, representing Zone 1, defeated Phillip Enciso, Washington Union High School, representing Zone 2. Topic of both addresses delivered by the two contestants was, "Do Frontiers of Opportunity Still Exist for American Youth?"

President Dwight Thornburg, who presided, announced that the next meeting will be the annual Ladies Night Dinner to be held on April 27 at the cafeteria of Washington Union High School in conjunction with Public School Week. J. V. Goold, school superintendent, will be in charge of arrangements.

CORONER'S JURY ASKS ROAD CHANGE

A coroner's jury, meeting last week in Oakland for an inquest into the death of Manuel Pementel of Niles, recommended to the State Division of Highways that it remedy the conditions on the highway curve a mile west of Sunol on the Niles Canyon Road where Pementel's truck overturned.

The Niles trucker's machine, loaded with cattle, went out of control on the curve on March 24, overturned in a roadside ditch and burned.

The jury described the death as "due to natural causes possibly hastened by the shock of the accident." Pementel received serious burns in the crash and died five hours later in an Alameda hospital.

ROSE VIEUX IS NAMED PRESIDENT

Mrs. Rose Vieux of Niles was elected president of the Washington Township Business and Professional Women's Club at the regular meeting held last Monday at the high school. She succeeds Miss Carmelita Berge.

Other officers elected are Miss Rosaline Egan, vice-president; Miss Audrey Carmody, recording secretary; Dorothy Czerny, corresponding secretary; Mrs. Gertrude Enos, treasurer; Mrs. Lee Hyde, auditor; and directors are Mrs. Irene Henderson, Mrs. Beatrice Nordvik, Mrs. Leila Oliveira, Mrs. Ann Mayock and Miss Berge.

Installation of officers will be held at a dinner meeting at the Niles Congregational Church on May 10, with Mrs. Enos in charge of reservations; Miss Czerny, decorations, and Miss Carmody, entertainment.

HERE AND THERE IN DECOTO

By FLORENCE MEDEROS

Earl and Lester Mederos this week received a letter from Decoto's baseball star, Leonard Kelly, who is doing very well for himself by the clippings he sent home. Here is an article right from the Albuquerque News: "More and more, Kelly looks like a man who will be awfully hard to run off third base. He handles practically every batted ball that comes his way, gets the ball away fast and has a strong arm. He also looks like a hitter." Now isn't that really something good to send home to his parents? Yes, Mr. and Mrs. Joe Kelly are very proud of their son.

HOME ON FURLOUGH

Arthur Brown, who is a member of the Air Force, is home on a 15-day furlough. He came home from an air base in Chicago and will report back to March Field at Los Angeles. When Arthur joined he signed up for three years and has already served 15 months. He is planning now to enlist in the navy when his army discharge is received.

ENJOY RACES

If you want excitement go to the roadster races, say Mr. and Mrs. Milton Castro. They went to Bay Shore Stadium Sunday and enjoyed the day.

ATTEND DANCE

Attending the Y.L.I. dance at Newark last Saturday evening were Mr. and Mrs. Al Ferreira and Mrs. Marie Janeiro.

MANY BOXERS

Of the twenty-two boys that fought at the W.U.H.S. Boxing Carnival last Friday evening, eight were from Decoto. Local boys who fought and showed good prospects of being our fighters of the future were: Dave Duran, William Rueles, Tony Zendejaz, Bob Sausedo, Don Andrade, Don Ellizary, Max Ayala, and Alvin Silva.

FETE LADIES

For the first time in the history of the Decoto Fire Department, a dinner was given for the firemen's wives. All the other dinners that the firemen have held have been stag, so it came as a shock to their wives when they were invited. They all enjoyed a wonderful four course dinner, cooked and served by Joe Valenzuela at Loma Linda Cafe. After the dinner Fire Chief Lane of Alameda and Captain Fuller of Oakland were speakers of the evening. Joe Valenzuela presented the firemen with a large decorated cake inscribed, "Good luck to Decoto Firemen." Those attending were: Chief and Mrs. Roland Bendel; Mr. and Mrs. Alfonso Rodrigues, Mr. and Mrs. Don Martin, Mr. and Mrs. Chris Guerra, Mr. and Mrs. Manuel Garcia, Mr. and Mrs. Joe Garcia, Mr. and Mrs. Manuel Seone, Mr. and Mrs. Paul Garcia, Mr. and Mrs. Al Costa, Mr. and Mrs. Al Ferreira, Fire Commissioner Carl Zwissig, and the two visiting guests.

MARRIED SATURDAY

Marjorie Coit, formerly of Decoto, was married in Reno on Saturday to Wilburt Pine of Newark. Both attended Washington Union High School and will reside in Newark on their return home.

GIVEN SHOWER

A miscellaneous shower was given for Miss Marion Green of Niles at the home of Mrs. A. L. Costa by Mrs. Kenneth Green. Marion received beautiful gifts. Miss Green is to be married to Harold Caldeira at Oakland on Saturday.

ATTEND CONCERT

Fred Costa and Edward Gurley went to San Francisco last Wednesday evening to see Buddy Cole, concert pianist. The boys enjoyed his music and before returning home had a midnight snack.

ANNIVERSARY

Sixteen years of married life calls for a celebration and that's just what Mr. and Mrs. John Enos celebrated Saturday evening. Mr. and Mrs. George Silva went along with them, being newlyweds they wanted to see how two people could keep happily married for so long. The two couples first had a lovely dinner at the International Kitchen and later attended the dance at the Newark Pavilion. All in all they had a wonderful evening.

CELEBRATE

Celebrating their first wedding anniversary, Mr. and Mrs. Bill Gomes enjoyed a show in Oakland one evening this week. After the show they motored to Plands Villa where they enjoyed an anniversary dinner. The couple have a little one-month-old daughter, Deana Marie, who stayed with Mr. and Mrs. Manuel Enos at San Leandro for the evening.

BIRTHDAY PARTY

A birthday party was held for Remo Caminada celebrating his twenty-first birthday Saturday, April 10. The party was at the home of Ettore Caminada. A snack supper was served and later everyone enjoyed listening and dancing to records that were brought by Barbara Ponti and Bruno Orsetti. Many beautiful gifts were received, including a lovely birthday cake. The guests were Mr. and Mrs. Ray Caminada, Mr. and Mrs. F. Ponti and daughter, Barbara, Bruno Orsetti, Joseph Ferrario, Lucy Marianni and the honored guest.

DECOTO FIREMEN HOLD LADIES' NIGHT BANQUET

The ladies of the members of the Decoto Fire Department were honored guests at the annual Ladies Night banquet held last Thursday evening at the Loma Linda Cafe. Chief Roland Bendel served as toastmaster and introduced special guests Tom Lane, chief of the Alameda Fire Department, and Captain Howard Fuller of the Oakland Fire Department.

SATURDAY NUPTIALS

United in marriage Saturday evening at 7:00 o'clock Jennie Semas exchanged vows with Mr. Herman Beil at St. Joseph Church here in Mission San Jose. Mrs. Beil, daughter of Mr. and Mrs. Joseph Mederios of the Mission, has spent most of her life in the Mission. Mr. Beil is a city bus driver in San Jose and has a ranch in the Livermore Hills. They plan to live in San Jose. Mrs. Beil wore a blue suit, pink accessories and had a corsage of rose buds. Her maid of honor wore a darker shade of blue with black accessories and also wore a corsage. The mens suits were navy blue. A brother-in-law and sister of Livermore were the matron of honor and best man.

BIRTHDAY SURPRISE

Another birthday surprise was the order of the evening on April 3 when Mrs. Ella Andrade was happy to receive many of her relatives and friends at her home on Bryant street. Following an evenine of chatting, card games and opening of a number of lovely presents, the guests enjoyed ice cream, cake and coffee. Present to wish Ella many more happy returns of the day were: Mr. and Mrs. Tom Estadillo and daughter, Lauralie, Mr. and Mrs. Bill Garcia and Bunny, Mr. and Mrs. William Garcia Sr., all of Niles; Mr. and Mrs. Bill Souza and son of Sunnyvale, Mr. and Mrs. Fred Kohlmoos and daughter, Linda Lee of San Bruno, Mr. and Mrs. Herman Medeiros, Mr. and Mrs. Larry Medeiros and daughter Laura, Miss Laura Azeveda and Mr. and Mrs. William Andrade, Ella being one half of the team of Andrade and Andrade, and Joseph Medeiros, father of Larry.

CELEBRATION

Mr. and Mrs. Herman Medeiros celebrated their third month of married life at the home of Mr. and Mrs. Fred Kohlmoos and daughter, Linda of San Bruno on Sunday with a dinner party and later by going to Oakland where they attended the "Home Show" and exhibit.

HOME FROM AUSTRALIA

Pvt. Dale Caldwell, son of Mrs. Odessa DeMotte, arrived home in Centerville last week after spending a year in Australia. The Caldwells and DeMottes were very recent home owners here in the Mission but have moved to Newark-Centerville Road where Mr. DeMotte has his headquarters for Rawleigh Products.

RETURN FROM VACATION

Mr. and Mrs. Ace Cordeiro, who make their home at the Witherly Ranch, have finally arrived home after three months spent touring and visiting in North and South Dakota, Wyoming, Colorado, New Mexico and after spending a few weeks in Arizona with his parents they came back. They saw every kind of weather and praised Arizona as it was very summery.

ENJOYABLE EVENING

VISITS RELATIVES

Mrs. Elidio Cunha, the former Marie Lawrence, who makes her home in Newark, is spending a few days here at the home of her parents, Mr. and Mrs. William Lawrence and at Mr. and Mrs. George Rodrigues, another sister. She informs us that her husband is now Pvt. Elidio of the U. S. Army at Fort Ord.

DECOTO WOMAN HAS 1828 NEWSPAPER

Last week's issue of The Register carried a story of the news items contained in an 1833 issue of the New York Sun, believed to have been one of the oldest newspapers owned by anyone in this vicinity, but Friday afternoon Mrs. Lester Watkins of 501 Tenth street, Decoto, went us one better and brought in a copy of the Daily Cincinnati Gazette, dated June 12, 1828.

The small four-page paper is, for the most part, devoted to classified form of advertising and bears a notation that subscription rates were $8 per year. Mrs. Watkins received the paper from her father, L. E. Brown, who found several of the old copies in a house in which the family resided in Mt. Vernon, Missouri.

It Takes Men to Make Steel

and PROFITS to protect jobs

Jobs don't just grow. Jobs are *made*.

For when you're talking about jobs, you're talking about the equipment, machinery, buildings and materials that fit together to make a job. The cost averages about $6,400 per job.

And that's where the pinch comes!

Like every other dollar, the profit dollar has taken a licking. Its purchasing power . . . the "real profit" . . . has been seriously reduced.

When a steel company sets out today to buy a coke oven, this year's profit dollar buys only 40 cents worth of oven compared with 1938.

Steel profits on sales averaged 6.3 cents on the dollar last year.

Steel profits on investment averaged 9.4 cents on the dollar last year.

Steel profits are dangerously low measured against the cost of the things that create new jobs and support old ones.

AMERICAN IRON AND STEEL INSTITUTE

There are 97 member companies of the Institute with plants in 166 American communities. They produce 94.6 percent of the country's steel.

TOYON GARDEN TOUR IS OUTSTANDING; MAY BE REPEATED NEXT YEAR

In spite of an overcast sky and a temperamental sun, the Toyon garden tour last Saturday proved a highly successful affair, so successful, in fact, that the members, meeting at the home of Mrs. E. D. Bristow Monday, discussed plans for making it an annual event. In deference to the men garden lovers, however, the tour next year will probably be held on a Sunday, permitting larger numbers of both male and female garden enthusiasts to attend.

The garden tour brought many comments such as the following not only from out-of-townshipers but from those living right here who had never before seen some of our "show" places: "Why, I didn't dream there were such beautiful homes and gardens in this area!" and "The township really has something to be proud of!"

The garden tourists were quick to express their preferences, depending upon their own individual temperaments. Some preferred the stately formality of the Starr and Best gardens in Mission San Jose, with their wide scope of lawns, geometrically laid out flower beds, screens of beautiful birch trees—truly a setting that might have been designed for an English novel (one half expected to come upon Cary Grant in white flannels, or Greer Garson swinging a picture hat).

Others enjoyed the truly picturesque setting of the Myers place in Decoto. Snuggled as it is in a canyon in the hills with a stream meandering lazily through its informal landscaping gives one the feeling of escaping. Those seeking peace, relaxation, and contentment, sank down on one of the inviting benches placed so generously throughout the gardens, and exclaimed, "This is it. This is what I've always been looking for." One couldn't be quite sure whether the beauty of the gardens came about by nature being controlled by planning or whether planning had been controlled by nature.

The Gorman gardens in Niles offered still another variation. On a much smaller scale, the setting combines both formal and informal, with the latter perhaps tipping the scales. The charm of the place lies in the unexpected—a sweep of lawn that stops abruptly at the brink of a cliff dropping off to a lake, a path that seems to be leading nowhere but which brings you suddenly to a tropical setting of banana trees, avocados, and bamboo, sheltering a large barbecue and tables. Here man's artistry is at its best, for this spot was formerly nothing more than barren wasteland.

The gardens at the California Nursery, also on the tour, need no mention here, for their beauty—especially during the bulb show—is known throughout the state.

And last, but perhaps best of all, were the gardens of the Dominican Convent in Mission San Jose. Here it seemed that Man and God were indeed working together to form a haven of rest and peace. A sense of timelessness, of surcease from strife, seemed to pervade the atmosphere where the nuns, quietly and efficiently, have managed to put a little bit of heaven into their gardens. The ancient olive trees, the quiet garden retreats, the beautiful shrines—all are mute testimony to Faith and Hope.

Proceeds from this unusual event will go to Children's Hospital.

Niles Gray Ladies Attend Luncheon

The Washington Township Gray Ladies attended a luncheon at Red Cross headquarters in Oakland, Wednesday. Following the luncheon, Mrs. Adelaide Kintz of Livermore Veterans Hospital, conducted a short meeting for the Gray Ladies working at the Livermore hospital.

Those from Niles attending the meeting were Mrs. Anthony Fields, Mrs. Constance Holland, Mrs. John Talley, Mrs. Reginald Calhoun, and Mrs. Clarence Crane.

At Convention

Among the local Rotarians who attended the three-day district Rotary convention in Oakland this week were Dr. E. C. Grau, Mrs. Grau, and Dr. and Mrs. Tom Wilson. They attended the dinner dances at the Leamington and also at the Sequoia Country Club. Dr. Wilson also got in some golfing during the convention.

To Davis

Dr. and Mrs. Tom Wilson are planning to motor up to Davis this Saturday to attend the open-house at the Agricultural College, where their daughter, Marjorie, is enrolled as a student.

FRENCH SCHOOL CHILDREN WRITE LETTER

* * * * * * * * *

GRATEFUL TO NILES FOR SOAP, PENCILS

Would you be grateful for a package containing a tooth brush, tooth paste, pencils, and wash cloths?

Well, perhaps you wouldn't be particularly overjoyed in receiving such a gift, because these items are everyday essentials in your life.

But in France they are luxuries. The receipt of such a package is the cause for great rejoicing, in proof of which are printed two letters below written by French school children who received such packages from the school children here in Niles.

The packages were sent under the Junior Red Cross, with Miss Gertrude Keller supervising.

Paris, France

Dear little friends of America:

We have received from you the many beautiful gifts which are pretty, one and all. This gave us the biggest thrill living. It would have pleased you to have seen us when the large packages of beautiful things were brought in. We all join together to say one big thank you. We are also very proud to have these objects coming from your country and we are profoundly touched by your friendship that you have shown.

In the name of all the little French girls, we are sending our sincere friendship and again once more our living thanks.

NTLES P.T.A. TO OFFER CHILD HEALTH SERVICE

An innovation in P.T.A. projects is the Well Baby Conference to be given by the Niles P.T.A. It's the first of its kind in this area, and those interested in child health are loud in their praises of a plan whereby mothers may have their children's health guided and guarded without cost to them.

Mrs. Edna Ebright, of the Alameda County Health Department, discussed the plan with officers of the P.T.A. at a meeting last Monday. It was outlined as follows: Dr. Ankers of the Health Department will be the physician in charge. The mothers will be able to consult him about feeding problems, immunizations, weight, and general health problems concerning their one to six-year-old children.

Mothers who have already signed up to take a course in assisting the doctor in taking records, weighing, etc., are as follows: Mmes. A. W. Gorman (president of the unit), Tom Robbins, M. G. Cole, Henry Vervais, L. R. Batman, H. Wiswell, H. Mottershaw, George Roeding Jr., A. Ferreira, Burlia James, Kenneth Ferry, Harvey Granger, F. Fields, Harold Janssen, and Peter Juhl.

The first conference will be held in May, the exact date to be announced later.

The Jordanolo almond is so named because of the similarity of its meat to the Jordan almond, and its origin in Yolo County.

ALVARADO V.F.W. WILL INSTALL

The Paul Rivers Post, V.F.W., of Alavarado, will hold a joint installation with the auxiliary Saturday. A gala time is planned following the installation, with Gardetto's band as part of the entertainment, and refreshments for all who attended.

The Auxiliary officers elected at the meeting Wednesday night are as follows: President, Amelia Silva; senior vice-president, Dorothy Click; junior vice-president, Mary Aquiar; secretary, Cecelia Martinez; treasurer, Doris Martinez, conductress, Ginger Martinez; guard, Esther Gardetto; historian, Mildred Silva; musician, Roma Silva; trustee for one year, Carrie Andrade; chaplain, Marjorie Re; patriotic instructor, Florice De Vinzinzi.

REBEKAH NEWS

The members of the Friendly Sewing Circle, I.O.O.F., met Monday at Odd Fellows Hall in Irvington. After luncheon was served by Mrs. Edna Hesscher and Mrs. Ivy Cull, the business meeting was called to order by Mrs. Gertrude Davis, president. Plans were tentatively made for an afternoon card party to be held in June.

The next regular meeting of the Circle will be held on Monday, May 3, at the Odd Fellows Hall, Irvington, with Mrs. Ellen Mohn, Mrs. Violet Mohn, and Mrs. Jennie Mohn serving luncheon at 1 p.m.

The next regular meeting of Niles Rebekah Lodge No. 336, I.O.O.F., will be held Friday evening, April 16, at Odd Fellows Hall, Irvington. Lodge will start promptly at 8 p.m., as after a short business meeting the lodge members will welcome their district deputy president, Mrs. Nina Bartholemew, on her official visit. Visitors will also be there from Livermore Rebekah Lodge bringing with them the "traveling gavel." Mrs. Fern Mitte is chairman of arrangements for the evening.

The members of Necona Theta Rho Girls' Club No. 46 of Niles will meet in regular session Monday evening, April 19, with Audrey Vestal, president, presiding. The meeting will start promptly at seven a.m., as after a short business session the girls will practice for their installation ceremony which will take place Friday evening, April 30, at Odd Fellows Hall, Irvington.

ALLEGED BURGLARS IN COURT TODAY

Two Decoto youths, nabbed at gun point early last Thursday morning in a Decoto tavern, will appear in Niles Justice Court today at 3 p.m. for arraignment on burglary charges.

The two, Felix R. Mesa, 19, and Henry R. Rodriques, 24, were found hiding in the Decoto Club by Deputy Sheriffs Glen E. Anderson and Douglas Roraback.

The deputies were called to the scene by Neil Neilson, co-owner of the establishment, who observed one of the suspects inside as he passed the tavern on his way home.

Deputy Anderson reported that he fired one shot through the window after the youths failed to heed his command to come out. Upon entering the club, the officers found Rodriques huddled under a stove in the kitchen. Mesa barricaded himself in the lavatory and came out only after officers threatened to start shooting.

The two were found to have in their possession the sum of $5.55, which they allegedly obtained from several drawers within the tavern.

Entrance to the club was apparently made by forcing a window at the side of the building.

COUNTY TAX BILL IS $37.62 PER CAPITA

Property tax bill in Alameda county for the county, schools, and special districts for this year averaged $37.62 per capita, compared with the $30.70 per capita bill for last year and the $27.67 per capita for 1941-42, California Taxpayers' Association said today. City property levies are not included.
